WORK EXPERIENCE

Thaznpuvz Marketing

January 2020 - June 2020

E-Commerce Intern

Advertising / Marketing / Promotion / PR

- Responsible for overseeing the stock and sales of stationery products across many Thaz & Puvz online platforms, such as Lazada, Shopee and Q10.
- Experience contacting with suppliers and manufacturers whilst asking for stock and smoothing operations while ensuring products are delivered in a timely and satisfactory manner.
- Experienced contacting with courier service company, such as Lex, Pos Laju and Skynet whenever complications arise during product shipping, such as product arrival delay or handling return items.
- Ensure that customer satisfaction is uphold at all times while keeping meticulous stock of any discontinued products and finding compromise for when customer's product is unavailable.
- Kept the product database up to date whenever the supplier has an update in its stock, such as introducing new products for sale or discontinuing certain products.

EDUCATION

Bachelor in Interactive Multimedia Design

September 2019 - June 2020

UniKL MIIT

- The course is focused on sharpening the student's multimedia skill in a wide variety of fields, from photography, drawing, website design, basic apps development, etc.
- My focus is on the programming side, learning both front-end(HTML/CSS) and back-end(mySQL) website development, making simple apps with the ActionScript 3.0 language and bits of C# programming via Visual Studio.
- **CGPA: 2.88**

INTERESTS

- Computer Games
- Unity Development
- Reading Novels
- Tabletop Gaming
